

February 3rd, 2012

The SFU Athletics Hall of Fame was opened in 1986 and in that time 32 Clan Athletics Alumni have been elected to enter the Hall of Fame; however there has not been an induction since 1994.

Simon Fraser University Athletics is proud to announce that it will be restoring the existing Hall of Fame with a new home in the West Gym. The new Hall of Fame will be opened in the fall of 2012 with the addition of a newly elected Hall of Fame class.

The 2012 Hall of Fame inductees will be recognized on February 29th at the Diamond Alumni Club on the SFU Burnaby campus. Funds raised at the SFU Hall of Fame induction luncheon will help fund the Hall of Fame restoration project.
